

Lotus Symbolism

Jordan Hensley **DIRECTOR**

nerds and Geeks typically get
laced as the same types of people.
 However there are many differences
 between the two.

Blue Lotus

A White Lous symbolizes someone who has started their spiritual journey behind by leaving the concept of elf behind.

Pink Lotus

A pink lotus symbolizes for enlightenment of the highest order and is associated with the highest deity, the Buddha

White Lotus

A white Lotus flower stands between the two other colors of Lotuses and is associated with the state of bodhi; becoming awakened to the wonders of it all
